## Guide to Measuring your Child

This simple guide has been developed to help parents and carers measure their child and order the correct sizes of each uniform item.

If the chest measurement is very close to a size and a pullover is to be worn under a blazer you may need to choose the next size up.

STEP 1 - Measure the chest and waist with the enclosed tape measure.

## STEP 2: School Blazers and Pullovers

The basic blazer specifications are below; please remember garments need ease in the chest so a size will always measure between 3 and 5 inches more than the wearers chest measurement.

Please remember our blazers come with a Smartsleeve ${ }^{\circledR}$ that can be adjusted down by 1.5 inches and can be seen on our website https://www.schoolcolours.co.uk/smartsleeve). Blazer sleeves can be easily shortened by sewing in a tack on each side after folding up to the right length.

*Please note that your child can elect to wear either a short-sleeved sports polo shirt, or a long-sleeved rugby shirt for PE; you do not need to purchase both. Sports fleeces are optional, and are worn over the sports polo or rugby shirts in colder weather.
