

Teacher of English Information for Candidates

A family of schools
with shared values

Headteacher's Welcome

Woldgate is a school with a distinct vision for education. Our view of an outstanding school is based on shared values, where every child is known and cared for as an individual. To cultivate this, we build a supportive and caring community, where a child's talents can grow through academic study and the opportunity to participate in the many activities, productions and visits that make Woldgate School unique. We are a school with a positive, welcoming, warm atmosphere, in which pupils take pride in their achievements and where each individual pupil achieves academically through consistently good teaching, in an environment that seeks to nurture their love of learning and challenges them to excel.

Founded in 1958, Woldgate's original school motto celebrated the distinct education the school sought to bring. This motto is, for me, an integral part of our school life; it defines who we are as a community.

"Everything you do should be worthy, of great merit, character and value."

Of great merit:

The quality of being particularly good or worthy, especially deserving of praise or reward.

Of great character:

The moral qualities that define an individual.

Of great value:

The principles or standards of conduct we work to; our judgment of what is important in life.

I truly believe that part of what makes this community so special is the holistic education we provide for our pupils. Our Performing Arts status, extra-curricular clubs, sporting activities and House competitions, combined with our wonderful visits programme, provide pupils with a unique opportunity to appreciate the world around them. I have long believed that the creative arts provide an exceptional platform upon which pupils can develop new skills, grow in confidence and, as people, develop qualities, in an environment where their talents are nurtured and then celebrated. The arts offer us something special, whether it be learning an instrument, acting in a play, dancing, singing or just being involved in a production as part of a company. This holistic approach to school life, for me, is integral to a good education and wonderful preparation for future life.

As we look to the future, I am absolutely committed to ensuring Woldgate School continues to develop with a clear, confident and strong identity based on shared values and with each student known and cared for as an individual. Our culture of collaboration and success will be matched by our determination to do the very best, both pastorally and academically, for the children in our care.

- A School where each child is known and cared for as an individual.
- An environment in which our pupils feel valued, safe and enjoy school.
- A School where every child is challenged and supported to succeed academically.

Woldgate Sixth Form College also provides exciting opportunities for students to continue their educational journey, to build upon their GCSE results and progress onto qualifications that provide academic rigour and challenge. There is also a wide variety of enrichment opportunities, with students participating in the wonderful range of expeditions, visits, internships and leadership programmes.

Indeed, 87% of our pupils achieved an A*-C grade in Mathematics and 75% in English. In 2016 50% of our pupils also achieved an A or A*. In 2018 the school achieved a Progress 8 score of 0.41 for its GCSE outcomes and, in 2019, the Science department's value added score was a third of a grade higher than other schools nationally.

In 2017 Woldgate School was presented with an 'Outstanding Outcomes Award' from the SSAT for our academic results. We are also recognised by the Department of Education as being one of the 'Top 100' most improved schools in the country, out of three thousand eight hundred. As one of only ten schools nationally, we have been selected to appear in a Parliamentary publication which celebrates excellence in education. Achievements such as these are testament to the hard work and dedication of pupils, parents and teachers, and they draw upon a combination of academic rigour, pastoral care of the highest quality, excellent teaching and learning, complemented by structures that monitor progress and intervene to provide individual support for each and every pupil.

The English Department

The English department is made up of 11 members of staff. Many members of the team have additional responsibilities. The team consists of confident and able teachers with a wide range of experience. The department is a close knit, mutually supportive team, who utilise a variety of teaching styles to enhance the pupils' learning experience. All members of the team demonstrate the very best practice and want all students to achieve the very best results.

The curriculum and schemes of work are up to date and are regularly reviewed. We use a staff share system to support one another and to share the very best practice amongst the department. In KS4 the AQA specification is followed and we begin teaching the course in the final term of Year 9. As a department we study Macbeth and the Power and Conflict poetry cluster along with An Inspector Calls and A Christmas Carol.

In the Sixth Form we offer both English Language and English Literature, we follow the AQA courses in both subjects. There are English Language and English Literature sets in both years 12 and 13.

The department sets pupils from years 7-11 and the sets are regularly reviewed. We set students in KS4 based on ability and prior attainment.

There are seven teaching rooms that have a data projector and whiteboard. The department also has a dedicated work and resource room.

Results are above the National Average.

Child Protection Policy

Woldgate School fully recognises its responsibilities for child protection. Our policy applies to all staff, governors and volunteers working in the school. There are five main elements to our policy:

- Ensuring we practice safe recruitment in checking the suitability of staff and volunteers to work with children.
- Raising awareness of child protection issues and equipping children with the skills needed to keep them safe.
- Developing and then implementing procedures for identifying and reporting cases, or suspected cases, of abuse.
- Supporting pupils who have been abused in accordance with his/her agreed child protection plan.
- Establishing a safe environment in which children can learn and develop.

We recognise that because of the day-to-day contact with children, school staff are well placed to observe the outward signs of abuse. The school will therefore:

- Establish and maintain an environment where children feel secure, are encouraged to talk and are listened to.
- Ensure children know that there are adults in the school whom they can approach if they are worried.
- Include opportunities in the PSHE curriculum for children to develop the skills they need to recognise and stay safe from abuse.

We will follow the procedures set out by the Area Child Protection Committee and take account of guidance issued by the Department for Education and Skills to:

- Ensure we have a designated senior person for child protection who has received appropriate training and support for this role.
- Ensure we have a nominated governor responsible for child protection.
- Ensure every member of staff (including temporary and supply staff and volunteers) and governing body knows the name of the designated senior person responsible for child protection and their role.
- Ensure all staff and volunteers understand their responsibilities in being alert to the signs of abuse and responsibility for referring any concerns to the designated senior person responsible for child protection.
- Ensure that parents have an understanding of the responsibility placed on the school and staff for child protection by setting out its obligations in the school prospectus.
- Notify social services if there is an unexplained absence of more than two days of a pupil who is on the child protection register.
- Develop effective links with relevant agencies and co-operate as required with their enquiries regarding child protection matters including attendance at case conferences.
- Keep written records of concerns about children, even where there is no need to refer the matter immediately.
- Ensure all records are kept securely, separate from the main pupil file, and in locked locations.
- Develop and then follow procedures where an allegation is made against a member of staff or volunteer.
- Ensure safe recruitment practices are always followed.

We recognise that children who are abused or witness violence may find it difficult to develop a sense of self-worth. They may feel helplessness, humiliation and some sense of blame. The school may be the only stable, secure and predictable element in the lives of children at risk. When at school their behaviour may be challenging and defiant or they may be withdrawn. We will endeavour to support the pupil through:

- The content of the curriculum.
- The school ethos, which promotes a positive, supportive and secure environment and gives pupils a sense of being valued.
- The school behaviour policy, which is aimed at supporting vulnerable pupils in the school. The school will ensure that the pupil knows that some behaviour is unacceptable but they are valued and not to be blamed for any abuse which has occurred.
- Liaison with other agencies that support the pupil such as Social Services, Child and Adult Mental Health Service, Education Welfare Service and Educational Psychology Service.
- Ensuring that, when a pupil on the child protection register leaves, their information is transferred to the new school immediately and that the child's social worker is informed.
