

# School Direct Initial Teacher Training Recruitment for September 2023

The Wonder Institute of Education is delighted to be able to offer school direct ITT teacher training placements for September 2023. These placements are for graduates or final year university students to apply for an opportunity to pursue a career in teaching. We currently have vacancies in the following areas:

## Secondary

- ❖ Mathematics
- ❖ English
- ❖ Physical Education
- ❖ History
- ❖ Science

By choosing to study with the Wonder Institute of Education, you will be placed in two secondary schools, Woldgate School and Sixth Form in Pocklington and Longcroft School in Beverley.

## Primary

- ❖ Primary Education 3 – 7 years
- ❖ Primary Education 5 -11 years

By choosing to study with the Wonder Institute of Education, you will be placed in two primary schools from our three Trust primaries, which includes Melbourne Primary School, Pocklington Juniors School or Stamford Bridge Primary School. The course displayed on the government application site, simply states Primary but we clarify which route you wish to take during the interview process

Both the secondary and the primary courses are run in collaboration with our partner provider which is Leeds Beckett University.

To find out more about becoming a teacher, please read the information on:

[Get into teaching](#)

To apply you will need to select the link below and register.

[Apply for an ITT course with the Wonder Institute of Education](#)

You are then able to search for our courses by selecting the necessary search criteria and by typing in *wonder*. This will take you to the Wonder Institute of Education page and you can view our selection of courses and can apply directly for one of these.

If you have any problems with the above or wish to discuss the courses that we offer, then please contact Kirsten Russell on [krussell@WLP.education](mailto:krussell@WLP.education)
